

## Pre-K Tuition and Scholarships

### Tuition

In accordance with the school's mission and vision, Logos Harrisburg aims to serve students from diverse economic and cultural backgrounds. To this end tuition, scholarships, and payment plans are designed to ensure that a Logos Harrisburg education is accessible to those who would not otherwise have access to private education.

- Almost all of our students receive significant need-based scholarships that cover 85% to 90% of the tuition costs.
- Any family that does not qualify for financial aid may be eligible for additional scholarships.

### Scholarships

The full tuition at Logos Academy Harrisburg is \$3,500 per pre-K student. The “family share” of tuition is affordable for all of our families. Tuition is calculated based on household income and family size. The minimum per student is \$35/month.

Scholarships are determined using current poverty rates, household size, adjusted gross income, and Logos Harrisburg's cost-to-educate. With the input of these variables, Logos Harrisburg will determine an affordable rate of tuition.

Adjusted Gross Income (AGI) is based on the previous year's tax return. The AGI can be found here:

- 1040 EZ, Line 4
- 1040 A, Line 21
- 1040, Line 37

Our scholarship application process is very straightforward, and a tuition discount is offered for simply completing the application, *even if you are found to be not eligible for a scholarship*. Families may apply for this need-based scholarship with a printed application. The application requires a non-refundable \$25 fee. Because almost every family will qualify for significant tuition assistance, we strongly encourage every family to apply. We are happy to assist you in completing the application.

Families that do not complete a scholarship application will be charged the full annual tuition of \$3500 per student.
