

COVID Health Precautions

1. **If your student has 3 or more recurring symptoms (see symptom tool below) in the last 24 hours**, he or she should stay home. Notify the school of the absence with a phone call or by using the school website. Students may return with a doctor's note or negative test results.
2. **If anyone in your household is awaiting a COVID-19 test and the student has one symptom**, the student should stay home and may return when the household member receives a negative test result.
3. **If the student has been exposed to COVID-19 and is experiencing one symptom**, the student should stay home and may return with a doctor's note or negative test result.
4. **If anyone in your household tests positive for COVID-19**, the student should stay home and may return with a doctor's note or negative test result.
5. **Send students to school every day in a mask. An extra mask in their backpack is helpful.**

Covid-19 Symptom Screening Tool

If your student has 3 or more recurring symptoms in the past 24 hours, please keep them home.
