CITY ISLAND CLASSIC 2026

The **City Island Classic: Mini-Golf for a Mission** is Logos Academy Harrisburg's inaugural fundraiser taking place on **Wednesday, April 22, 2026 from 11:00 am-2:00 pm**. We will be bringing together our donor community, Harrisburg-area business leaders, and new philanthropic partners for a fun and meaningful afternoon competing at **City Island Water Golf** with a luncheon provided at **Harrisburg Beach Club**.

This event is designed to engage a highly invested audience that values educational access and community impact. **All proceeds support our mission** to develop young people from diverse socioeconomic backgrounds to transform the Harrisburg community through private holistic elementary education that is trauma-invested and rooted in Christ.

By sponsoring the City Island Classic, your organization directly helps create opportunities for students to flourish.
